

Crayon College Inc.

September 2014

“A.B.C’S and 1.2.3’s”

Fall is vastly approaching as summer trails off to an end. We had a great summer and summer program here at Crayon College, I hope your little ones enjoyed everything and that our families had amazing summers. This Month we will be focusing on “A.B.C’s and 1.2.3’s” lessons will include many phonics applications and early numerical orientations.

Miss. Bri started College at Bridgewater state university this fall but will be back working on breaks and school vacations. A new face you may see in the afternoons is Miss. Erin in the infant and toddler rooms. Erin is part of the early childhood vocational program at Silver Lake and is working and earning her certification at C.C after school. We are so excited to have her! A big Congrats to Mr. Josh who is getting married on 9/6, we are so happy for him and cannot wait to celebrate!

We really hope everyone can make it to our 10 year celebration on September 13th at the Plymouth Elks club from 12-4 pm. We have a lot of great entertainment and a lot to celebrate. We are so proud to have been in business and to serve your families for the past 10 years. We look forward to many more! We will be doing a picture day in October, more info to follow in the coming weeks.

Have a great month!

**** Jackie ****
