

# Crayon College at Bourne

November 2017 Country Harvest Travels

Infant/Toddler

## Meghan's Memo

- Closed for Thanksgiving on 11/23 and 11/24
- Picture day was a huge success! Once I receive more information, I will give it to you but there is another order form attached.
- With Fall officially here and the cooler weather, please make sure you are sending your child in with a coat/sweatshirt because we do go outside for at least 30 minutes every day!
- Please try not to allow your child to bring any toys into the classroom from home. We are not responsible for anything lost or broken.
- With the recent storm and power outages, we revised our Contingency Plan in our Parent Handbook. A copy is attached for you.
- Facebook is very key for school closures and special days at school! This is where we will first post if we are closed, along with Fox 25. We also post reminders for any special days. Please follow us, check out all the pictures of your child, and share too if you'd like!
- Reminder: Starting 11/3, Tuition is due by every Friday for the next weeks care. Late fees will be applied if not.

Any questions, comments, or concerns? Please don't hesitate to come to me! Thank you, Miss Meghan
