<b>Week 5:</b> March 29 <sup>th</sup> to March 31 <sup>st</sup>	Leprechaun Decorative Frame		

**Infant Info** – Happy March everyone!! I can't believe how fast February flew by! We had so much fun celebrating Valentines day by sharing lots of love all month. We read tons of awesome stories such as "The biggest Valentine's Ever". Our younger friends had a blast making and playing with our galaxy themed sensory bags. We are also beyond excited to welcome Miss Sharon back, along with our newest friend Nora. February was filled with lots of love and fun, but I am excited to be leaping right into March! >> **Thank you, Miss Ryley**

## Toddler – Miss Meggie & Miss Stephanie

**Toddler Talk –**  
Hello families!

Wow, we are already welcoming the month of March and we are so excited. It means we are closer to spring. We have some family inclusion projects we would like to share with you.

First, we would love if the parents could write down their birthdays so their child can make them something special!

Another project is to write down the top 5 books you read at home with your child! We want to incorporate more books in the classroom!

Finally, we will be sending home rocks on March 22nd for them to be painted! We would love to make the stairway more colorful. They will be due back on March 31st!

Happy Birthday  
Leila 3/1  
Miss Meggie 3/7  
Rylee 3/22

>> Thank you,  
Miss Meggie & Miss Stephanie

**Preschool Press-**  
 \*First week of March we are celebrating Dr. Suess, be sure to check the theme each day!\*

Let's March into the wild and look at Dinosaurs! February was filled with so much love and blasting off into space. We had so much fun sharing all our love throughout the month of February. Thank you to everyone that helped make our Valentine's day special!

Even though spring is right around the corner we live in New England, It is still cold outside and the snow is still falling we want to continue to make sure the kids are getting outdoor play. Please make sure to pack, gloves, hats, winter coats, and snow boots for some fun snow play!

In March we will be focusing on our letters, and numbers while also going back in time to learn about Dinosaurs!

I also want to say that we are beyond excited to have Miss Sharon back with us!!

We are continuing to work on putting our face mask individually. Please work with the kids at home too. In preschool we need to wear our masks all day so we can play with our friends.

>>Thank you,  
 Miss Emily
