Dear Families,

Due to the rising operational costs as well as reaching our goal of increasing our wage scale for our staff, we find it necessary to increase our current tuition rates. We conducted a tuition survey of surrounding childcare centers. Our infant rate is comparable to surrounding centers. However, we did need to adjust both toddler and preschool.

The toddler tuition will increase by \$2.00/day and the preschool tuition will increase by \$7.00/day.

The new rate will go into effect for tuition due on Friday, September 30, 2022, for the week of October 3-7, 2022.

October 2022 Tuition Rates

	INFANT	TODDLER	PRESCHOOL
2 days	\$182	\$168	\$151
3 days	\$263	\$254	\$219
4 days	\$354	\$332	\$287
5 days	\$415	\$400	\$340

You will also receive a separate invoice through QuickBooks adjusting your 2-week deposits.

Thank you for your understanding and continued support.
