NOVEMBER 2022

GATHER WITH FRIENDS AND FAMILY

Monthly Round Up

-Looking ahead, some dates to note: CCP is open on 11/11 (Veteran's Day) but closed 11/24 and 11/25 (Thanksgiving break). If you are planning any absences, PLEASE email me directly so I can adjust staffing accordingly. If it is a planned absence, we ask that you notify us 2 weeks prior.

-Pizza money needs to be paid in singles. It is very hard to accommodate everyone who is bringing larger bills. You can always leave a stash of \$1's at the center and we will let you know when they are running low.

-Our first Scholastic order was processed, shipped and delivered with a 'normal' timeline (much better than last year). We are hoping that families will take advantage of this program – great books at a great price. With our first order this year and our additional bonus points in our reserve bank, we ordered a new circle rug for P2, plus we received 10 new books for the center. Thank you to all that participated.

-Just an FYI, the Plymouth PD has started to include private centers in their school monitoring program. They will be parked in our driveway from time to time just to make their presence known to the public. Just wanted families aware in case you see them.
